GAME FRIDAY WITH FUNSTON FIVE WILL BE BIG EVENT

PROCEEDS TO CAMP FUND

Soldier Players Have Been Picked From Best Athletes at Training Camp—Long List of Victories

Patriotically inclined basket ball fans will have a chance next Friday night to show their patriotism and at the same time indulge their love of the sport, for all the proceeds of the Normal-Camp Funston game will be turned over to the Camp Funston recreation fund.

Only five hundred tickets have been placed on sale and they are going fast. If you want yours, you'd better hurry. They can be procured at the Raines jewelrf store or from W. A. Rickenbrode at the Normal.

Captain Paul Whittington, director of athletics at Camp Funston, sends word that the Funston quintet is in tip-top shape. "The team has weight as well as speed, and the best line-up Funston can send will be on hand in Maryville and St. Joseph, March 1 and 2," says the captain.

Some idea of the strength of the soldier five is gained when it is realized that the five men composing the team have been picked from forty thousand natural athletes, many of them having played on the best college teams in the country.

Long String of Victories.

Weight, speed and aggressiveness combined with brains have made the camp team almost invincible in this territory. They have a long string of victories, among which are two victories over Camp Dodge, a triumph over Camp Doniphan, another over the University of Nebraska, Nebraska Wesleyan, St. Louis University, Missouri State Normal school at Warrensburg, Bethany College, St. Mary's and Haskell. The University of Kansas, Creighton College, Camp Dodge and the Schmelzer team of Kansas City have each taken a game from the Funston five.

Lieut. George (Potsy) Clark, former Illinois University foot ball and basket ball star, is coach of the Funston team and it is because of his efforts that the team has made such a great showing. Individually, the camp basketeers are stronger than any team west of the Mississippi and under Clark's tutelage team work has been developed to such an extent that the combination is almost unbeatable. The few defeats they have suffered no doubt came on off nights.

Nebraska Man Is Star.

Sergt. Leslie Burkenroad, a former Nebraska phenom, is the real star of the cantonment aggregation. All the plays seem to center around the center and his wonderful accuracy in caging the sphere, coupled with his floor playing, have been one of the reasons for the great showing by the soldier team.

Lieut. Karl Hodge, captain and forward on the Funston team, was captain of the Williams College team of 1914, and an all-eastern forward. He is one of the mainstays in the scoring department and has proven a valuable man at caging the ball.

Samuelson, Hodge's running mate ricade for opposing forwards. Bayer machine. His floor work is especially noteworthy.

Bayer, a Doane College athlete, is the main fixture in the defensive department, and with his team mate, Morrison, has proven a strong bar at forward, is an important cog in the plays the roving guard and is regarded as a star in that position. Morrison, while not uncovering any phenomenal ability, has proven himself a steady defensive player, and his work is on a par with that of his team mates.

Normals Will Try Hard.

All in all, the camp quintet is a fast, aggressive, heavy-scoring, close-guarding aggregation that plays whirlwind basket ball from whistle to whistle. Only the most optimistic Bearcat supporter can see a possible chance for a Normal victory, but the game will be hard fought and close.

The Normal-Westminster game on Thursday night has been overshadowed by the greater event, but as for the conference aspirations of the Bearcats it will be of greater importance than the Funston combat. A victory over Westminster gives Maryville another chance at the championship, while a defeat would put them hopelessly out of the running.

WAS BOOZE CAUSE?

BRADLEY'S ATTORNEYS SEEK TO BLAME JOHN BARLEYCORN

EXPERTS ARE EXAMINED

Defense Admits Act Charged, But Claims Addiction to Liquor Habit Was the Cause of the Attack

In the case of Glen Bradley, the Hopkins auctioneer, being tried for an alleged criminal assault on Mrs. Clarence Davison at her home last September, another defendant entered the trial this morning in circuit court. It was John Barleycorn, and attorneys for the defense are trying to show the court and jury that he is the one responsible for the attack on Mrs. Davison.

Following the severe cross examination of the prosecuting witness by attorneys for Bradley yesterday afternoon, when her story was corroborated by other witnesses, the defendant's attornefs practically admitted the act charged, the defense presented witnesses who told of Bradley being addicted to the use of intoxicating liquors.

This morning the defense gave their whole attention to examination of expert witnesses, seeking to show by their answers to hypothetical questions that Bradley, having been for years a confirmed drinker and at the time of the assault alleged to have been under the influence of whisky, was mentally incompetent to judge between right and wrong.

In answer to hypothetical questions correlated with the evidence in the case, Dr. J. P. Standley of Bedford, Ia., gave as his opinion that the continued use of liquor perverted a man's moral and mental nature. Dr. Frank Wallis and Dr. Karl Malotte, in answering the same hypothetical question, declared that the use of whisky and intoxicants would deflect a normal nature so that it might become criminal.

Walter Morehouse of Hopkins testified that on the morning in question when he met him on his way to the Davison home, that Bradley was under the influence of liquor and that he had advised him to go back to Hopkins, if he was able to drive his car.

With the hearing of evidence concluded at noon, Judge Dawson spent a part of the afternoon preparing instructions which were read to the jury this afternoon and was followed by arguments by the attorneys, B. J. Gibson of Corning, Ia., and Chas. McCaffrey for the defense, and Prosecutor Sawyers and L. C. Cook on behalf of the state will in all probability occupy the remainder of the day, the case going to the jury late this afternoon.

M.H.S.-NEW HAMPTON GAME

Will Be Played Tomorrow Night Instead of Friday — New Hampton Is Confident of Winning

Three good basket ball games are scheduled this week, the first one tomorrow night between M. H. S., and New Hampton, the second on Thursday when the Normals play the Westminster College team, the third game being on Friday night with the Normals vs. the Funston five.

The New Hampton game was moved up to Wednesday, having been scheduled for Friday night. The Hamptonites will come on the evening Wabash, bringing with them a crowd of 100 rooters, and will return on the late train. Coach Shultz announced the M. H. S. line-up as follows: Egley and Puckett, forwards; Yehle, center; Kirby and Robinson, guards; DeArmond and Price, substitutes. Fred Vandersloot of St. Joseph will referee the game.

Maryville has two more games, the one with New Hampton and one with King City on March 8 and M. H. S. must win both to be eligible for a tournament proposed to be held here on March 22-23. Any team with a percentage of 500 may enter the tournament and M. H. S. now has .428—three won and four lost. Two teams from each of the six sud-districts will compete. Maryville, Tarkio and Maitland will be competitors in the western district with New Hampton, Pattonsburg and King City in the eastern district.

New Hampton is confident of winning tomorrow night's game. They lost to Pattonsburg Friday night, 25-24 and won from Stanberry on Saturday night, 53-20.

13 TO FUNSTON TOMORROW

There Will Be No Public Farewell to Men Who Enter Service—Last Quota Will Go March 4

Thirteen men will compose the quota to leave tomorrow for Camp Funston, there being one or two changes in the list as originally published. Lambert Young Stevens has been added to the number on his own request that he be sent at this time.

The men who will leave tomorrow are:

Perry Arnold White, Burlington Jct.
Ralph I. Bradley, Hopkins.
Jos. Samuel Dobbins, Barnard.
Hailey Ford, Maryville.
Henry Dale Scott, Hopkins.
William Henry Mitchell, Conception Junction.
Frederick Anslem Messbarger, Ravenwood.
Geo. William Arnold, Parnell.
Clarence Edw. Warren, Maryville.
James Henry Hoekin, Conception Junction.
Joseph Ray Adams, Wilcox.
Jos. E. Conrad, Maryville.
Lambert Y. Stevens, Moberly, Mo

There will be nothing in the nature of a farewell reception for the men who leave tomorrow, it being thought advisable to forego any demonstration at this time. Parents and friends will, however, accompany them to the train to tell them goodbye and wish them well.

The last contingent of twenty-four men will be called to go on the afternoon of March 4, leaving on the Burlington afternoon train for Camp Funston.

PLAN BIG WELCOME

MARYVILLE WILL HONOR FUNSTON MEN ON FRIDAY

RECEPTION AT NORMAL

Public Will Be Given Opportunity to See and Hear the Boys in Khaki at Afternoon Program

The visit to Maryville of the Camp Funston basket ball team with eight men on next Friday will be made the occasion for a patriotic celebration in their honor that will start when they arrive on the noon Burlington train from the south and will continue until the game is over in the evening. Athletic Director Walter Hanson was in receipt of a telegram this morning giving the hour of their arrival and plans were at once put under way to give them a royal welcome and show them a good time while here.

It was decided by members of the Commercial Club that the Funston men will be met at the train with a delegation of citizens. There will also be a big delegation of students on hand to give them a noisy greeting, after which they will be escorted to the Linville where dinner will be served. A student committee on decorations will see that the tables in the dining room and the lobby are profusely decorated with flags.

After dinner a drive about the city is planned for the visitors, following which they will be taken to the Normal where a patriotic program will be given and the people of Maryville are invited to see and hear the boys in khaki tell about camp life. Several short addresses will be made and patriotic songs will be sung. The Normal will display its service flag with seventy-four stars in the lobby of the school. The program will begin at 2:30 o'clock and the public is most cordially invited to attend and take part in the welcome that will be extended to the soldiers.

Director Hanson has been advised there will be delegations here for the game from St. Joseph, Stanberry, Pattonsburg and New Hampton. Indications are that all the 500 tickets will have been sold long before the game begins. The number will not be increased.

Committees on decoration, reception and entertainment are busy perfecting plans and through Secretary E. M. Claypool of the Commercial Club the merchants of the city will be urged to display flags from their places of business on next Friday.

The Boy Scouts will also be at the station in full uniform to welcome their big brothers and act as escort up town.

Judge Wood of Burlington Junction was in Maryville on business yesterday.

DEATH FROM POISON

LLOYD WHITE, YOUNG FARMER, DIES AT ST. FRANCIS

MAY HAVE BEEN SUICIDE

Told Friends of Family Troubles and of Wrongs Being Done Him On Visit to Maryville Yesterday

Lloyd White, a young farmer living near Arkoe, died this morning shortly before noon at St. Francis hospital, having been taken there suffering with what appeared to be poison, evidently taken with suicidal intent. He made no statement after arriving at the hospital and the motive for the act is not clear. White was about thirty years old and was married. He formerly lived near Hopkins.

Circumstances occurring previous to his being taken to the hospital may serve to provide a motive for suicide, White having told James Wells, proprietor of the Black Diamond Stock Powder Co., yesterday of having trouble and of having separated from his wife. Mr. Wells said he came to him yesterday with a story of wrongs that had been done him and of his purpose to consult the prosecuting attorney in an effort to have them righted. He left the store, according to Mr. Wells, saying that he was going to return home.

White again appeared at the Black Diamond store about 10:30 o'clock this morning and told Mr. Wells he wanted to talk to him and asked that he hurry. Mr. Wells walked to the curb where he was taking a sack of powder to be delivered when White grabbed him by the coat and with a wild look in his eyes, asked that he be taken at once to the hospital and Dr. Wallis called. Mr. Wells saw that the man was in dire distress and putting him into the car, directed his son, Bryan Wells to drive at once to Dr. Wallis' office. The doctor was not in when they arrived and he was at once taken to the hospital, being unconscious when he arrived there. He died shortly after.

County coroner, H. S. Rowlett, was called and viewed the body. Without holding an inquest he said White had evidently taken some powerful poison. An inquest will be held later this evening. The body was taken to the Price & McNeal undertaking parlors where Mrs. White was expected, but at a late hour this afternoon she had not appeared.

FOUND A BOY UNCONSCIOUS

Theodore Hamilton, 10 Years Old, Found In Road—Physicians Find No Traces of Injury

Theodore Hamilton, the 10-year-old son of Mr. and Mrs. Thomas Hamilton, was found lying unconscious in the road about two miles east of Elmo about noon today. The child started from his home in Elmo to visit his sister, Mrs. Harry Jones, who lives in the country. He was found by Mr. and Mrs. James Adkins, who brought him to his home. Physicians were immediately called but could find no traces of injury. The boy had not regained consciousness this afternoon.

LID IS OFF ON MUTTON

Until April 15 Lamb May Be Eaten On Meatless Tuesday

Columbia, Feb. 26.—The lid is off on lamb and mutton. They may be eaten on meatless Tuesday until April 15, a telegram to F. B. Mumford, federal food administrator for Missouri, from Herbert Hoover announces. The telegram is as follows:

"The season of surplus production of mutton and lamb raised for meat purposes in the western states is now on and the food administration authorizes you to remove until April 15 its recommendation against the eating of mutton and lamb on the voluntary meatless Tuesday."

ASKS DEATH OF DOGS AS A WAR NECESSITY

Bono, Ark., Feb. 26.—Geo. A. Lamb of this place has addressed a letter to President Wilson asking the president to have legislation enacted looking to the extermination of 10,000,000 dogs that are owned by 20,000,000 families of the United States. He says the dogs kill sheep. He tells the president the dogs should be killed as a war necessity. First, to conserve foodstuffs; second, encourage sheep growing; third to raise money to defray war expenses.

REED SEES A COAL SHORTAGE

Declares That Unless Chaos In Fuel Business Disappears Results Will Be Disastrous

Washington, Feb. 26.—America will be confronted by a coal shortage of the most disastrous character in the near future unless the chaos now existing in the coal business disappears, Senator Reed of Missouri, chairman of the senate manufacturers committee which investigated the fuel situation, predicted today in a report summing up the committee's findings. Senator Reed attacked the fuel administration and the government interference with the coal production, consumption and prices.

BOLSHEVIKI OFFERS FIGHT

At Several Points the Germans Are Being Met With Resistance—Will Prepare to Defend Petrograd

Stockholm, Feb. 26.—The Bolsheviki troops are offering resistance to the advancing Germans at a number of points, according to information here today. Violent fighting is reported at Pakow, 165 miles south of Petrograd. A number of workmen have joined the Bolsheviki troops and are making a determined effort to drive them back. Pakow is said to have changed hands more than once. Working men in Petrograd are being armed to defend the capital. At last reports there have been no new developments in the Russo-German peace situation.

SCHOOL ALL YEAR AT M. U.

Board of Curators Adopts Trimester Plan for State University—An Emergency War Measure

The year around school is to be started next fall at the University of Missouri.

At a meeting of the board of curators yesterday at Kansas City it was decided to divide the school year into three semesters instead of two, as heretofore. The regular summer session for teachers will be abandoned.

Dr. A. Ross Hill, president of the university, described the move as "an experiment and a war emergency."

The school terms will be divided so as to permit the agricultural students to go home in the seeding and harvest seasons. They will be permitted by the new arrangement to continue their work the following fall. Doctor Hill believes the plan will be of incalculable benefit to the farmers.

Most of the vacations will be eliminated or reduced.

Each of the three semesters will be sixteen weeks. Heretofore summer sessions, at which courses of study were provided with a view to benefiting public school teachers, were for eight weeks.

"I WILL REPAY" AT EMPIRE

A Film Production of O. Henry's Story "A Municipal Report"

"I Will Repay," the Greater Vitagraph Blue Ribbon feature, will be the attraction at the Empire theatre tonight. The picture is adapted from an O. Henry story, "A Municipal Report," and is the love story of a young northern writer who goes into the Southland to close a contract for magazine stories with a "coming" authoress. In the cast are William Dunn, George J. Forth, Mary Maurice, Arthur Donaldson and Eulalie Jensen.

Among the out of town people in Maryville on business yesterday were: H. E. Kennedy of Savannah, Dr. H. H. Maxwell of Hopkins, Rufus Smith and Fred Davison of Arkoe.

WANTS TO FIGHT ON

WASHINGTON CONVINCED PEACE NEGOTIATIONS IMPOSSIBLE

SAYS BRITAIN BARS WAY

Von Hertling Qualifies Acceptance of Peace Principles Laid Down by President Wilson

Special to The Democrat-Forum.

The Hague, Feb. 26.—Despite the fact that Von Hertling told the Reichstag that he agreed fundamentally with the four underlying peace principles laid down by President Wilson in his speech of February 11, the belief was expressed in diplomatic circles today that the German chancellor's address did not make a favorable impression in the Allied capitals.

"England's war aims are still thoroughly imperialistic and she wants to impose on the world a peace according to England's good pleasure," said Von Hertling.

"When England talks about the peoples' right of self-determination she does not think of applying the principle to Ireland, Egypt and India.

"It has been repeatedly said that we do not contemplate retaining Belgium, but that we must be safeguarded from the danger of a country with which we desire after the war to live in peace and friendship, becoming the object or jumping off ground of enemy machinations. If, therefore, a proposal came from the opposing side, for example, from the government in Havre, we should not adopt an antagonistic attitude, even though the discussion at first might only be unbinding.

"Meanwhile, I readily admit that President Wilson's message of February 11 constitutes perhaps a small step toward a mutual rapproachment."

Washington, Feb. 26.—All talk of possible peace by negotiations was ended in Washington today. German Chancellor Von Hertling, in qualifying his acceptance of the four principles of peace announced by President Wilson, has convinced officialdom here that Germany wants to fight on.

NO INTENTION OF CONQUEST?

Von Hertling Says Advance of German Army In East Was Only to Make Ukranian Peace Good

Amsterdam, Feb. 26.—A tangible peace is assured unless the Entente powers are deaf to humanity and reason by adhering to their aims of conquest and their desire to continue the war, Chancellor Von Hertling was quoted as saying in advices from Berlin today. Giving further details of his speech before the Reichstag, the chancellor is quoted further as saying that the advance of the Germans in the east was only to make the Ukranian peace good.

"Germany has no intention of conquest nor of establishing herself in Esthonia and Livonia," dispatches reported the chancellor as adding.

RICHARDSON PLEADS GUILTY

A Two Year Sentence in Pen Was Followed by the Issuance of Parole Under Bond

Special to The Democrat-Forum.

St. Joseph, Feb. 26.—Wm. B. Richardson, charged with the murder of Jack Bergyman in a room at Stock Yards Exchange in St. Joseph, February 18, 1916 pleaded guilty yesterday afternoon to manslaughter in the fourth degree and was sentenced to two years in the penitentiary, after which he was given a parole.

Judge W. H. Utz, in whose division of the circuit court the case was being conducted, then made the statement that in the face of the testimony by the men at the stockyards, who had been intimately associated with Richardson, and because the case once had come to trial and had been gone into thoroughly with the result that there had been a hung jury, he felt that the plea of guilty and the favorable consideration of an application for parole would be proper.

He then caused the order to be entered in the minutes of the court and Richardson was paroled under a $1,000 bond, the bond being signed by L. R. Sack, J. O. Barkley, True Davis, H. E. Wyatt, J. W. Holtman, M. D. Young, E. E. Vance, and S. M. Breitweiser. Richardson then walked out of the court room a free man, obligated only to report once a month to the court for a period of two years.

MARYVILLE LADY OVERCOMES USE OF MORPHINE

"Troubled about ten years with what the doctors called gall stones, often I thought I would die before the doctor could get here, when he would give me a hypodermic of morphine and advise an operation. A neighbor told me about Mayr's Wonderful Remedy for stomach trouble, and since taking the first dose two years ago I have not had an attack nor needed a hypodermic." It is a simple, harmless preparation that removes the catarrhal mucous from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Maryville Drug Company.

PATRIOTIC MEET AT QUITMAN

Red Cross Branch Members Exhibited War Bread—Articles Sold at Auction for Benefit of Society

Under the auspices of the Quitman branch of the Red Cross an enthusiastic patriotic meeting was held at the M. W. A. hall on last Friday.

The Red Cross members had on display specimens of the work to which the ladies of the town and community have so enthusiastically and conscientiously applied themselves. Quilts and pillows for the hospitals, quilts for the French babies, sweaters, helmets, sox and wristlets for the soldiers are some of the work done by the Quitman branch organization at their regular weekly meetings held at the home of their president, Mrs. H. C. Bailey.

In addition to the Red Cross display there was exhibited loaves of potato war bread, baked by various ladies of the vicinity. The ladies rallied to this feature of the meeting with no less spirit than to the Red Cross work proper, and some splendid illustrations of what can be done in baking potato bread was evident. This bread contained one-third boiled potatoes.

The meeting was largely attended. Merchants and bankers closed their respective places of business and joined in the patriotic song service. After the song service the war bread was sold at auction and the funds donated to the local Red Cross. Mrs. W. F. Frankum donated a fine white hen, which was also auctioned, this fund also going to the local organization. The hen was bought by H. C. Bailey and will be kept and sold by the organization at other such gatherings.

You Get Better Cough Syrup by Making it at Home

What's more, you save about $2 by it. Easily made and costs little.

You'll never really know what a fine cough syrup you can make until you prepare this famous home-made remedy. You not only save $2 as compared with the ready-made kind, but you will also have a more effective and dependable remedy in every way. It overcomes the usual coughs, throat and chest colds in 24 hours—relieves even whooping cough quickly.

Get 2½ ounces of Pinex (60 cents worth) from any good drug store, pour it into a pint bottle and fill the bottle with plain granulated sugar syrup. Here you have a full pint—a family supply—of the most effective cough syrup that money can buy—at a cost of only 65 cents or less. It never spoils.

The prompt and positive results given by this pleasant tasting cough syrup have caused it to be used in more homes than any other remedy. It quickly loosens a dry, hoarse or tight cough, heals the inflamed membranes that line the throat and bronchial tubes, and relief comes almost immediately. Splendid for throat tickle, hoarseness, bronchitis, croup and bronchial asthma.

Pinex is a highly concentrated compound of genuine Norway pine extract, and has been used for generations for throat and chest ailments.

Avoid disappointment by asking your druggist for "2½ ounces of Pinex" with full directions, and don't accept anything else. A guarantee of absolute satisfaction or money promptly refunded, goes with this preparation. The Pinex Co., Ft. Wayne, Ind.

The Store That Is Anxious to Please You.

Don't Let Your Watch Go Wrong——

During your busy season—when you need your watch—don't let it get out of order and stay out because you haven't time to bring it to us.

WE HAVE STRONG, SAFE MAILING BOXES, and we will be glad to send you one so you can send us your watch and we will make the repairs and return it promptly.

This is an addition to the KUCHS SERVICE—our work is well known for KUCHS QUALITY. Besides—the work is all guaranteed. If any of our work should not be satisfactory—which seldom happens—we are mighty glad to make it right at our own expense.

YOU DON'T TAKE CHANCES

in sending us your work, as the box is the same as used by wholesale jewelers in mailing watches all over the country, and our responsibility is too well known for us to mention. You owe it to yourself, in these busy days to take advantage of this extra service — and you owe it to yourself to keep your watch in good running order. Clip out the attached coupon, fill it in and send it to us and we will send the little box out after your work.

Kuchs Brothers

For Service and Quality.

P. S.—The first order we received for a box, we sent out in the morning, received it with the repair job in the evening and had it ready to return the next morning. This shows the excellent service we can give on repair work sent by mail by co-operating with Uncle Sam.

A Healthful Butter Substitute

We carry two butter substitutes—the two best grades we are able to get. Swift's pure oleomargarine "Premium" Brand and Nut-Margarine.

Oleomargarine is becoming more and more a favorite when people find out that it is clean, pure and wholesome.

The new brand — the Nut-Margarine, is made from cocoanut oil and milk, and many people prefer it to the finest creamery butter—in fact, you can't tell it from butter, and you know that it is prfectly pure, perfectly sanitary, and has that rich, creamy taste you like so well in good butter.

Prime Quality

in meats means fine, healthy, well fed stock, handled in the best manner from the field to the block——

There is no question about there being a difference in meats—we all know that there is. Nearly everyone knows that we have always handled the best we could get—and we can get any kind.

Nearly everyone knows that we haven't been "getting rich" selling meat, and consequently we must be selling it as low as such quality can be bought for.

Other people can't buy it cheaper—there isn't an "inside figure" in the meat market—all farmers get the same price for the same quality of stock. Nobody is playing favorites in the food business these days.

We believe that you will realize these things when you think of them, and realize that

Features of Spring

For Home Sewers

NO ONE FEATURE of the Spring frock—Skirt, Suit or Dress is more important than the material to be used. This is the fashion topic of the hour.

Our piece goods section has anticipated the present trend of fashions and is now displaying exceptional collections of Silks, Wool Goods, Ginghams, Silk Stripe Tissue and other Springtime fabrics in brilliant toned array. Then the McCall patterns and fashion sheets for March are here—featuring all the latest fashion ideas.

ATTRACTIVE SILKS

You can spend a very interesting and profitable hour in our silk department—you will be more than repaid for your time in seeing our display of beautiful new Silks and Satins. In stripes, checks, figures and plain colors they are so attractive and striking that their importance in the making of your Spring costume is readily seen.

Visit the silk department and see the exceptional assortment we are now showing.

McCALL PATTERNS

place women of taste upon the same style basis. The woman in moderate circumstances can easily afford to clothe herself stylishly; the woman of means may well be proud to wear McCall designed gowns.

McCall Patterns for March

WOOL GOODS

The restrictions which the Government has placed on use of Woolen fabrics has made it very difficult to secure Wool Dress Goods for Spring.

In the face of these conditions we have collected many of the most desirable woolen fabrics in plain colors and the new stripes and plaid effects.

If you expect to use Wool Goods this Spring it will be worth your while to visit our department early—it is impossible to replace many of the fabrics we are now showing.

WASH FABRICS

Spring Wash Fabrics are even more beautiful this year than ever before. The Silk Ginghams, the Silk Stripe Tissue, the Domestic Ginghams, Flaxons, Voiles, Precales and other Springtime fabrics fairly radiate with the Spirit of Spring. Excellent color combinations in the newest effects in the wanted fabrics are now here for your inspection.

MAZOLA

Better cooking at less cost with Mazola, the pure oil from corn

Mazola is a vegetable oil from an edible source for deep frying, sautéing, shortening and salad dressings.

Foods fried in Mazola retain all of their natural flavor and are easy to digest.

Mazola does not transmit taste or odor from one food to another—can be used over and over again—a big factor in *economy*.

And because Mazola *is* a vegetable oil, it enables you to follow the plans of the Food Administration and save animal fats—butter, lard, suet.

Get Mazola from your grocer in pint, quart, half-gallon and gallon tins. Also ask for the free Mazola Book of Recipes—or write us direct.

Your money refunded if Mazola does not give entire satisfaction.

State of Missouri, County of Nodaway, ss. In the Circuit Court, April term, 1918.

To Whom It May Concern:

Notice is hereby given that on this day Emily Lemon, Nellie Jones and Lillie Amy Garrett, petitioners herein, by their attorneys file their petition, verified by affidavit, alleging among other things that on or about the— day of ——— 1912, one James H. Lemon made, executed and delivered to the petitioners a certain warranty deed conveying to petitioners certain lands in Nodaway County, Missouri, described as follows, to wit:

The Northeast Fourth of the Northwest Quarter and the Northwest Fourth of the Northeast Quarter and five acres off of the West part of the Northeast Fourth of the Northeast Quarter, all in Section Six (6) in Township Sixty-five (65) of Range Thirty-six (36), Nodaway County, Missouri, same being a part of the home place where the said James H. Lemon then resided.

Said deed conveyed to the petitioner, Emily Lemon said lands for the term of her natural life with remainder to the petitioners Nellie Jones and Lillie Amy Garrett in equal parts.

That after the execution and delivery of said deed to petitioners the said deed was lost or destroyed. That said deed has not been recorded in the Recorder's office of Nodaway County, Missouri; that the said deed was executed by the said James H. Lemon and Emily Lemon, his wife, and praying the Court to hear such testimony as the petitioners may produce touching the execution, delivery and loss of said deed and their interests in the land therein described and to adjudge and determine according to the evidence so adduced by petitioners and that a decree will be entered in said cause at the next term of said court and the title or interest to or in said land adjudged to said petitioners according to the prayer of their petition and it is further ordered that a copy hereof be published, according to law, in the Democrat-Forum, a newspaper published in said Nodaway County, Missouri, once a week for at least four weeks, the last insertion to be at least four weeks prior to the April 1918 Term of said Court.

ORDER OF PUBLICATION.

State of Missouri, County of Nodaway, ss. In the Circuit Court, April term, 1918.

August King, executor of the estate of Mary German, Plaintiff, vs. Frank German, John German, Anna McPherson, Louisa German and Mary German, Defendants.

Now at this day comes the Plaintiff herein, by his Attorneys and files his Petition and Affidavit, alleging among other things that Defendants, Frank German, John German, Anna McPherson and Mary German are not residents of the State of Missouri, so that the ordinary process of law can not be served upon them within this State.

Whereupon, it is ordered by the Clerk in vacation that said Defendants be notified by Publication that Plaintiff has commenced a suit against them in this Court, the object and general nature of which is to construe the will of John German, deceased, and advise and direct the Plaintiff as to his duties under the will of Mary German deceased, concerning and affecting the right, title and interests of the defendants in and to the following described land situate in Nodaway County, Missouri, to wit: The South One-half of the Southeast Quarter and the Northwest Quarter of the Southeast Quarter and the Southwest Quarter of the Northeast Quarter of Section Thirty-one (31), Township Sixty-three (63) of Range Thirty-three (33), and that unless the said Defendants be and appear at this Court, at the next term thereof, to be begun and holden at the Court House in the City of Maryville, in said County, on the 1st day of April next, and on or before the first day of said Term, unless further time be granted by the Court, answer or demur to the Petition in said cause, the same will be taken as confessed, and judgment will be rendered accordingly.

And it is Further Ordered, that a copy hereof be published, according to law, in the Democrat-Forum, a newspaper published in said County of Nodaway for four weeks successively, published at least once a week, the last insertion to be at least fifteen days before the first day of said next April Term of this Court.

TESTING SEED CORN

UNION TOWNSHIP FARMERS HAVE TEST MADE FREE

SCHOOL PUPILS DO WORK

Professor Garrett and Assistants In Charge of Work—Will Aid Corn Growers In Increasing Yield

Every boy and girl in the seventh and eighth grades and in the high school at Pickering has now completed his or her seed testing box and are right at work in full blast. Two basements down town have been furnished to the youngsters by the owners for the work, a committee from the school being in charge of the advertising, and another committee solicits and receives the corn to be tested. Every ear is taken and numbered and six kernels are removed from various parts of the ear and are placed in the testing box by a number to correspond to the number of the ear from which they were removed. At the end of seven or eight days the kernels are examined and those ears corresponding to the kernels that show dead or weak germination are thrown back and the good ears strung ready for the farmer to take home with him.

Any farmer in Union township is entitled to bring his seed corn in for testing, and already about every farmer has engaged a place. The work is organized and carefully supervised by Prof. Hubert Garrett, principal of the school, and his assistant, Miss Alma Mack. They will oversee the reading of all the tests. Every ear brought in, whether good or bad, is returned to the owner.

The farmers are taking a great interest and the move is one of the most worthy war measures undertaken, for it means a great increase in the corn crop, and that means food. It represents a great task for Prof. Garrett and his splendid line-up of real soldiers, but they believe the results merit the work. Mr. Garrett has been accepted for service and will soon be called to the colors, but he believes in being on the firing line right now and he is rendering a greater service toward beating the barbaric Huns than he could do for a long time were he in the army.

The fifty-seven schools now testing corn all over the county are doing the work in practically the same way for their districts that Pickering is doing for its township. Several other towns are just about ready to report and their records will perhaps be close rivals or may exceed Pickering, but if they do they will have to go some. At least four townships are now supplied with a testing station at one of the schools where all the corn in the township will be tested for the farmers if they apply. You will see a report of them soon, as their announcements are not yet made.

Both of these classes are being won rapidly to constant use of the Goodyear Cord Tire.

Because this tire undoubtedly combines the qualities of luxury and economy better than they ever have been combined before in a tire.

It is so resilient that it *absorbs* road shocks—flows over bumps instead of fighting them. Yet it has remarkable, enduring strength—making it good for almost a hundred per cent more mileage than you probably have come to expect from your tires.

You will be surprised at how little more Goodyear Cords cost to *start with* and *how much less they cost in the end.*
